

Buchi Atuonwu - It Is Well (Lyrics)

LYRICS

Bible in my left hand, microphone in na me right Declaring the counsel of the Almighty One I bring you good news Wey you cannot refuse

It is well, it is well, it is well in the name of Jesus It is well with my soul today  
The Spirit says to my spirit It is well, it is well, it is well in the name of Jesus  
It is well with my soul today It doesn't matter how I feel It is well, it is well, it is well in the name of Jesus It is well with my soul today

By the pool of water Bethesda my friend There lay a certain man in Jerusalem  
Wanting to be healed, having no one to take him into the pool By the stirring  
of the water Uuh uh uh uh uh uh uh uh uh uh uh uh uh uh uh Jesus said to  
the sick man Rise up, take up your bed and go your way That's what I say to  
you Uuh uh uh uh uh uh uh uh uh uh uh uh uh uh In the name of Jesus,  
rise up Take up your bed and go your way

It doesn't matter how you feel It is well, it is well, it is well in the name of Jesus  
It is well with my soul today It doesn't matter what I see It is well, it is well, it  
is well in the name of Jesus It is well with my soul today Like the sick man that  
day Are you helpless today There is a balm in the land of Gilead, I see Give me  
your hand, let me show the way Open your mouth and sing the song of victory  
say

It is well, it is well, it is well in the name of Jesus It is well with my soul today  
It doesn't matter how I feel It is well, it is well, it is well in the name of Jesus It  
is well with my soul today Like the sick man that day You can't help yourself

Listen to the voice of the Master Physician say It is well, it is well, it is well  
in the name of Jesus It is well with my soul today Like the widow in the bible  
whose only son died Affliction and pains may come but never mind Vexation of  
the soul, worries and problem When you see these things like the Shunammite  
woman say It is well, it is well, it is well in the name of Jesus It is well with  
my soul today Even if you get a quit notice It is well, it is well, it is well in the  
name of Jesus It is well with my soul today

Watch me, watch me Bible in my left hand, microphone in na me right Declaring  
the counsel of the Almighty One I bring you good news Wey you cannot refuse  
wo wo wo It is well, it is well, it is well in the name of Jesus It is well with my  
soul today Bababoo booboo booboo

It is well, it is well, it is well in the name of Jesus It is well with my soul today  
No money inna your pocket It is well, it is well, it is well in the name of Jesus It  
is well with my soul today Now even if you get a sack letter It is well, it is well,  
it is well in the name of Jesus It is well with my soul today Bababoo booboo  
booboo
