

Buchi Atuonwu - Jesus must be honoured (Lyrics)

LYRICS

Jesus must be honored Must be honored must be honored Jesus must be honored  
In my life every day everybody sing Jesus must be honored Must be honored  
must be honored Jesus must be honored In my life every day I was listening to  
the radio When I heard this ya beautiful song Saying Jesus must be honored In  
my life every day Yes indeed I agree

That it is good to honor Jesus Christ He did for humanity What no friend no  
brother can do Many years have come and gone Since this Jesus was crucified  
But we still gather around Unto Him Who died for us There remaineth no more  
sacrifice There remaineth no more ritual What could be bigger than the death  
Of the Son of God at Calvary In morning let us honor Him Every time let us  
honor Emmanuel Glory glory hallelujah To the Lamb on the Throne Everybody  
sing

Jesus must be honored Must be honored must be honored Jesus must be honored  
In my life every day Jesus must be honored Must be honored must be honored  
Jesus must be honored In my life every day This is a message from Jehovah  
Unto you who are living in the end time In everything that you do See that  
the Name of My Son is glorified I hope you know Who I'm talking about Jesus  
Make I hear it again Jesus Glory glory hallelujah To the Lamb on the Throne  
Everybody sing

Jesus must be honored Must be honored must be honored Jesus must be honored  
In my life every day Jesus must be honored Must be honored must be honored  
Jesus must be honored In my life every day Jesus must be honored In my life  
everyday The Lord I know You're honored Many years have come and gone Since  
this Jesus was crucified But we still gather around Unto Him by Whom we are  
called There remaineth no more sacrifice There remaineth no more rituals What  
could be bigger than the death Of the Son of God at Calvary I know you know  
Who I'm talking about Jesus Make I hear it again Jesus Glory glory hallelujah  
To the Lamb on the Throne Everybody sing

Jesus must be honored Must be honored must be honored Jesus must be honored  
In my life every day once again Jesus must be honored Must be honored must  
be honored Jesus must be honored In my life every day Jesus must be honored  
Must be honored must be honored Jesus must be honored In my life every day  
Jesus must be honored Must be honored must be honored Jesus must be honored  
In my life every day Jesus must be honored Must be honored must be honored  
Jesus must be honored In my life everyday Jesus must be honored
