Minister GUC - Through Eternity Lyrics

LYRICS

Been here before time began Yet You still know my name You existed through eternity Yet You still know my name Been here before time began Yet You still know my name You existed through eternity Yet You still know my name

Elohim Elyon You remain the same Elohim Adonai What an awesome God You are, yeah, yeah Doo-doo-doo-da-da

(Been here before) Been here before time began Yet You still know my name (Existed, existed) You existed through eternity Yet You still know my name (Been here, been here) Been here before time began Yet You still know my name (Existed, existed) You existed through eternity Yet You still know my name
