

Preye Odede ft Mercy Chinwo Okaka Lyrics

LYRICS

You have never lost a battle You can't start now You have been healing in the sick You can't stop now

Who can stand against the mighty God No one?? Great one of Israel?? Okaka (greater than the greatest) Your name is greater than all names Mighty and glorious are your works

Okaka (greater than the greatest) Mighty God?? Before the battle starts You have won it for me

Okaka (greater than the greatest) Mighty one?? Before the battle starts You have won it for me

Mighty in battle (repeat) You have won it for me
