

Travis Greene Put Your Name On Me Lyrics

LYRICS

I was a wretch undone Life in shambles, nowhere to run Stuck in a world of shame Everything changed when I called that name

Jesus, oh how I love the name Jesus, something happens when we Call You, You move You'll never leave us the same When we call the name

First time I saw You move Signs and wonders where in the room My heart was overwhelmed Your eyes where on me still And all of my days I'll shout the name

Jesus, oh how I love the name Jesus, something happens when we Call You, You move You'll never leave us the same When we call the name Jesus, oh how I love the name Jesus, something happens when we Call You, You move You'll never leave us the same When we call the name

Jesus, call the name Jesus

I was beggar, I was an orphan I put Your name on it, You put Your name on me I was a label, no identity I put Your name on it, You put Your name on me I was sinner, thought it was over I put Your name on it, You put Your name on me I was a label, no identity I put Your name on it, You put Your name on me

Jesus, oh how I love the name Jesus, something happens when we Call You, You move You'll never leave us the same Something happens when we Call You, You move You'll never leave us the same You put Your name on me

I was beggar, I was an orphan I put Your name on it, You put Your name on me I was a label, no identity I put Your name on it, You put Your name on me I was sinner, thought it was over I put Your name on it, You put Your name on me I was a label, no identity I put Your name on it, You put Your name on me

You put Your name on me You put Your name on me You put Your name on me

Something happens when we Call You, You move And You'll never leave us the same Something happens when we Call You, You move And You'll never leave us the same

We call the name Jesus We call the name Jesus We call the name Jesus We call the name Jesus

Consistency in the name Jesus Consistency in the name Jesus Power in the name of Jesus Healing in the name of Jesus Oh how I love, oh how I love the name Jesus Oh how I love, oh how I love the name Jesus Oh how I love, oh how I love the name Jesus Jesus

'Cause there is power, power Wonder-working power in the blood of the Lamb There is power, power Wonder-working power in the precious blood of the Lamb Just put Your name

There is power, power Wonder-working power in the blood of the Lamb There is power, power Wonder-working power in the precious blood of the Lamb Just put Your name

You put Your name on me You put Your name on me You put Your name on me

You changed my name You changed my name You changed my name You changed my name You changed my name You changed my name You changed my name You changed my name

Something happens when we Call You, You move And You'll never leave us the same Something happens when we Call You, You move And You'll never leave us the same Something happens when we Call You, You move And You'll never leave us the same

You put Your name on me My life is a testimony You put Your name on me Gave me a new name You put Your name on me You broke the curtain
