LYRICS

See how far You ve brought me Lord, I ve come to worship You (Repeat)

See how much You ve helped me Lord, I ve come to worship You Ebenezer,
See how much You ve helped me Lord of my Journey, I have come to worship
You(Repeat)

See how much, You favored us That s why we have come tonight, just to worship
You See how much, You rescued me From the miry clay, from the jaws of the
enemy From the claws of my enemy That s why I have come to worship You,
worship You my Lord

We ve come this far by Grace

David was so moved by God, and He said: Who am I? What is my fathers
house? That You ve brought me this far? Who am I? A rejected stone, they
didn t want me, my brothers sold me, they didn t believe in my dreams But
God said David, Is my Friend . David could not help but give thanks. And
who am I? Who is my fathers house that You ve brought me this far? Who
are we? Some of us do not even know our names They don t know our father s
name But they know us, because of Jesus! Because of Jesus! Because of Jesus!
Because of Jesus!

I never knew You would favor me this way Lord, we ve come to worship, to
worship

See how much You ve favored us Lord, we have come to worship You

See how well, You ve rescued us You have rescued us

Thank You Jesus

We never knew, You would favor us this way, God

SEE, look at us, Jesus it is Jesus

It is Jesus er The lifter It is Jesus, The raiser It is Jesus, Promoter It is Jesus,
Restorer It is Jesus, Defender It is Jesus, Deliverer It is Jesus, My Doctor It is

We bow before You, God You lift the humble, You drop the proud We bow
before You, we serve You with our all We serve You with our lives You are
the reason that we are here You are the reason our voice thunders You are the
reason we are here, Oh God, Oh God And so we worship You, God Lord, we
