### LYRICS

Jireh, You are enough  
Jireh, You are enough  
And I will be content (Even in this)  
In every circumstance  
(You are) Jireh (You are), You are  
enough  
Ji—Ji—Ji—Ji— (Yeah, yeah)

(Jireh) You're my provider (You are  
enough)  
Yeah, yeah, You're my provider, You  
are  
(Jireh) You're my provider (You are  
enough)  
You, You're my provider, yeah, yeah  
(Yeah, yeah)  
I will be content (Even in this)  
In every circumstance  
(You are) Jireh (You are), You are  
enough (Yeah, yeah, yeah, yeah,

yeah)

Forever enough

Let me paint a picture for you (Yeah)

For God, whose love you can't afford

yeah

But still, he pours his love lavishly

upon ya

And makes His glory shines so

bright upon you, you

I will be content

'Cause I know You would never fail

me (Never)

Even when my knees are shakin'

Even when my heart is bleedin', oh,

oh

Valley, when I walk in the midst of

the valley

My life's in the hands of my Daddy

I'm already loved, I'm already chosen

(Yeah, yeah, yeah, yeah)

So for this life, I no dey go low

'Cause me, I know, I no dey solo

'Cause my Jireh na my Paddy

Etu mene niko, You are

(Jireh) You're my provider (You are enough)

Yeah, yeah, You're my provider, You are

(Jireh) You're my provider (You are enough)

You, You are my provider, yeah, yeah (Yeah, yeah)

I will be content (Even in it)

In every circumstance

(You are) Jireh (You are), You are enough (Yeah, yeah, yeah, yeah, yeah)

Forever enough

Woo, Jehovah Jireh (Yeah)

You give me peace, You give me purpose, my Provider

And when my enemies surround me, got me tied up

When they throw me in the pit inside the fire, You are

(Jireh) My God and my King and my Father

Light to my path in the darkness

Hope in my heart when they  
heartless

Father, You reached out and caught  
us (Yeah)

You're the lover of my soul, love is  
flawless (Flawless)

They don't understand my God is

Keepin' me high, I know dey go low

'Cause me, I know, I no dey solo

'Cause my Jireh na my Paddy

Etu mene niko, You are

(Jireh) You're my provider (You are  
enough)

Yeah, yeah, You're my provider, You  
are

(Jireh) You're my provider (You are  
enough)

You, You are my provider, yeah, yeah  
(Yeah, yeah)

I will be content (Even in it)

In every circumstance

(You are) Jireh (You are), You are  
enough (Yeah, yeah, yeah, yeah,  
yeah)

Forever enough

Jireh, You are enough

Jireh, You are enough

And I will be content (Even in it)

In every circumstance

(You are) Jireh (You are), You are  
enough
