

Limoblaze ft. Ada Ehi Gold Lyrics

LYRICS

I don't look all around
I no see anything wey go hinder me
Cause the love wey my daddy dey
give on daily dey ginger me
Dem wan give me the Dollar (I say
no)
Dem wan give me the Pounds oh (I
say no)
Dem say make I sign am (I say no)
Papa God, na You I want oh
E be like dem no know say you're my
heart desire
And anything wey concern you, I no
go retire
Cause I got something more than
gold
Oh, my God is more than gold
You're the lover of my soul
For this thing is more than gold
Even if na Dollar wey dem give me, e

Me I get Eternal Life oh
Even if na Dollar wey dem give me, e
no matter
Even if them pull up with a Benz, I no
go Enter
I no go leave your side
We go dey till Paradise
Shey you dey feel my vibe
Me I get Eternal Life oh

Put am for inside your Pata
I no care for that your Dollar
Put am for inside your Pata
I no care for that your Dollar
Put am for inside your Pata
I no care for that your Dollar
Space, space, space, space, space
What's wrong with you?

This my head, my head
E correct, E correct
This my name, E go loud
E go loud oh
Oya take a picture
You and me together
In the nearest future

Make you for remember say
E be everything when I begin no far
I go carry my Jesus, I no go need
your car

I got something more than gold
Oh, my God is more than gold
You're the lover of my soul
Oh this thing is more than gold

Even if na Dollar wey dem give me, e
no matter

Even if them pull up with a Benz, I no
go enter

I no go leave your side
We go dey till Paradise
Shey you dey feel my vibe
Me I get Eternal Life oh

Put am for inside your Pata
I no care for that your Dollar
Put am for inside your Pata
I no care for that your Dollar
Put am for inside your Pata
I no care for that your Dollar
Space, space, space, space, space
What's wrong with you?
