How Great You Are Lyrics

How Great You are
How Great You are
How Great You are

How Great You are
How Great You are
How Great You are

You are Bigger
Than the World
Bigger than them all
How Great You are
You are Bigger
Than the World
Bigger than them all
How Great You are

You are Bigger
Than the Universe
Bigger than the Firmaments
How Great You are

You are Greater
Than Principalities
Greater than all Authorities
How Great You are

You are Bigger
Than the Presidents
Bigger than the Governors
Greater than
The Government

You are Greater
Than any Kingdom
Greater than the King
Bigger than the Title

Bigger than
What People Say
Bigger than what they Think
How Great You are

My God !
You have no Beginning
You Have No Ending
You're always Creating

How Great You are
How Great You are
How Great You are

How Great You are
How Great You are
How Great You are

*(is the Lord
Greatly to be Praised)*

You are Bigger
Than the World
Bigger than them all
How Great You are
You are Bigger
Than the World
Bigger than them all
How Great You are

How Great You are
JESUS
How Great You are
JESUS
How Great You are
JESUS

How Great You are
JESUS

You are Greater
Than the Government
Greater than the Ruler
Greater than them all

You are Great
You are Great
You are Great
Great is the Lord
Great is the Lord
