

## Judikay - Yes Lord Lyrics

This life that I live is all Yours

I move and have my being all in You  
I'm aligned to Your will  
Not mine but Yours be done, Jesus  
As in Heaven, and so on Earth

This song that I bring is all Yours  
Take my heart, take all of me  
If you're looking for a man  
If you're looking for a vessel  
I say yes, Amen  
I say yes

My song is yes, yes, yes Lord  
In Your sufficiency, yes, yes Lord  
If you're looking for a man  
If you're looking for a vessel  
I say yes, Amen  
I say yes

This air that I breathe is all Yours

Consecrated unto Thee  
If you need a man to pray  
Here I am, Lord  
I say yes, Amen  
I say yes

These hands that I lift is all Yours  
Take the glory, Father take the  
praise  
If you're looking for just one man  
If you're looking for a vessel  
I say yes, Amen  
I say yes

My song is yes, yes, yes Lord  
In Your sufficiency, yes, yes Lord  
If you're looking for a man  
If you're looking for a vessel  
I say yes, Amen  
I say yes

My song is yes, yes, Lord  
In Your sufficiency, yes, yes, Lord  
If you're looking for a man  
If you're looking for a vessel  
I say yes, Amen

I say yes

What is life if it's not lived for You?

You, You, You

What is life if I don't shout Your  
praise?

Your, Your praise

What is life if I don't tell You're  
coming soon?

You're coming again

I say yes, Amen

I say yes

I say yes, yes, Amen
