

## Sinach - Greatest Lord Lyrics

Lord, I bow before Your Holy throne  
Pouring my heart to You in worship  
Lord, I bow before Your Holy throne  
Pouring my heart to You in worship

There is no name greater  
There is no name bigger  
There is no situation greater  
There is no mountain bigger

Oh, You are the greatest Lord  
You are the greatest Lord  
Ooh, You are the greatest Lord  
You are the greatest Lord

Your power has no limit  
Your name, oh Jesus, the strongest  
Your mercy is forever  
Faithful God

Your power, it has no limit  
Your name, oh Jesus, the strongest

Your mercy is forevermore  
Faithful God

Your power, it has no limit  
Your name, oh Jesus, the strongest  
Your mercy is forevermore  
Faithful God

Your power, it has no limit  
Your name, oh Jesus, the strongest  
Your mercy, Your mercy is forever  
Faithful God  
Faithful God  
Faithful God  
Faithful God

Ooh, You are the greatest Lord  
You are the greatest Lord  
Ooh, Your name is the greatest  
The greatest Lord

Greater than cancer  
Greater than any disease (You are  
greatest Lord)  
Greater than depression (You are the  
greatest Lord)

Greater than any fear

Your name, oh Jesus is the greatest  
(You are the greatest Lord)  
In all situation (You are the greatest)  
You are the greatest
