

## Lara George - Jesus Jehovah Lyrics

[Verse 1]

You are Jesus

You are Jehovah

You are Alpha

And Omega

You are my Healer

You know I don't have another

You are Jesus

You are Jehovah

[Chorus]

I'm calling on You Jesus

I'm calling on You Jesus

I have no other help

But You, You, You

I have no other help

But You

I'm calling on You Jesus

I'm calling on You Jesus

I have no other help

But You, You, You

I have no other help  
But You  
Halleluy-ah...

[Verse 2]

You are my Father  
You are my Helper  
Through life's wahala  
You are my Cover  
You are my Healer  
You know I don't have another  
You are Jesus  
You are Jehovah  
Ooooooh.....

[Chorus]

I'm calling on You Jesus  
I'm calling on You Jesus  
I have no other help  
But You, You, You  
I have no other help  
But You

Ooooh, oooh

I'm calling on You Jesus

I'm calling on You Jesus  
I have no other help  
But You, You, You  
I have no other help  
But You

Ooooh, Oh

I have no other help  
But, You, You  
I have no other help  
But You
