

## Lara George - Through The Years

ought me through the years  
You have brought me through the  
years  
Baba o!

Your love has made me stronger  
Because of you, I'm wiser  
I keep on getting better  
You are forever father  
Your love has made me stronger  
Because of you, I'm wiser  
I keep on getting better  
You are forever

Honour to honour to honour

Power to power to power, yes!

You has delivered me from the snare

You shut up the mouth of the  
devourer

You rescue me out of the fire

Oh yes you have!

You keep taking me from glory to

Honour to honour to honour

Power to power to power, yes!
