

Victoria Orenze - Paid For Lyrics

You died so I can live.
And that is my reality.
You died so I can live.
And that is my reality.
You paid the total Sum.
And now I live and owe no one.
You died so I can live
And have this life eternally.

[Chorus]

Because
Everything Jesus paid for
Everything He gave His
Precious life for is mine

Everything Jesus paid for
Everything He gave His
Precious life for is mine

[Verse]

You died so I can live.
And that is my reality.

You died so I can live.
And that is my reality.
You paid the total Sum.
Now I live and owe no one.
You died so I can live
And have this life eternally.

You died so I can live.
And that is my reality.
You died so I can live.
And that is my reality.
You paid the total Sum.
Now I live and owe no one.
You died so I can live
And have this life eternally.
