

Victoria Orenze - This Year Lyrics

[Verse]

This Year

God, You go Ahead of us

This Year

You are Aligning everything

This Year

Things are Falling

In Place for us

This Year, Oh the Land

Will Yield for us

This Year

God, You go Ahead of us

This Year

You are Aligning everything

This Year

Things are Falling

In Place for us

This Year, Oh the Land

Will Yield for us

I walk in all God has for me

I'll Recover Everything
I walk in all God has for me
Because Christ Paid
He Paid for me

I walk in all God has for me
I'll Recover Everything
I walk in Total Victory
Because Christ Paid
He Paid for me

I walk in all God has for me
I'll Recover Everything
I walk in Total Victory
Because Christ Paid
He Paid for me

I walk in all God has for me
I'll Recover Everything
I walk in Total Victory
Because Christ Paid
He Paid for me

I No Go Fear O
I No Go Fear O
Because Christ Paid

He Paid for me

I No Go Fear O

I No Go Fear O

Because Christ Paid

He Paid for me

I No Go Fear O

I No Go Fear O

Because Christ Paid

He Paid for me

I No Go Fear O

I No Go Fear O

Because Christ Paid

He Paid for me

I walk in all God has for me

I'll Recover Everything

I walk in Total Victory

Because Christ Paid

He Paid for me

I walk in all God has for me

I'll Recover Everything

I walk in Total Victory

Because Christ Paid
He Paid for me

I No Go Fear O

I No Go Fear O

Because Christ Paid
He Paid for me

I No Go Fear O

I No Go Fear O

Because Christ Paid
He Paid for me

I No Go Fear O

I No Go Fear O

Because Christ Paid
He Paid for me

I No Go Fear O

I No Go Fear O

Because Christ Paid
He Paid for me

I walk in all God has for me
I'll Recover Everything
I walk in Total Victory

Because Christ Paid
He Paid for me
