

## Victoria Orenze - Walk By Faith Lyrics

What I see can be so depressing  
What I hear can be overwhelming  
What I am up against  
Can be so confusing  
It leaves war within me  
When my heart is overwhelmed  
Remind me of what you said  
In your word

When my heart is overwhelmed  
Remind me of what you said  
In your word

I walk by faith and not by sight  
I walk by faith and not by sight  
I walk by faith and not by sight  
I walk by faith in Jesus Christ  
My hope is built on nothing else  
than Jesus blood and righteousness  
I walk by faith and not by sight  
I walk by faith in Jesus Christ

What we see can be so depressing  
What we hear can be overwhelming  
What we are up against  
Can be so confusing  
It leaves war within us  
When your heart is overwhelmed  
Remind us of what you said  
In your word
