

Yadah - By Yourself Lyrics

Who will take Credit
For all that You've done
No Nobody No
You did it by Yourself
Who will take Credit
For all that You've done
No Nobody No
You did it by Yourself
Who will take Credit
For all that You've done

No Nobody No
You did it by Yourself
Who will take Credit
For all that You've done
No Nobody No
You did it by Yourself
You did it by Yourself
So no Man will Boast Oh
You did it by Yourself
You did it by Yourself
So no Man will Boast Oh

You did it by Yourself

Nobody Nobody No

No Man will Boast Oh

You did it by Yourself

Nobody Nobody No
