

Yadah - Father Lyrics

Oh oh father

Oh oh father

Oh oh father

Oh oh father

You are the best- better than ten
thousands of men

Oh oh father

Oh oh father

So who am I that you're so mindful
of me

Oh who am I that your thoughts are
always full of me

While I was lost in my wrongs you
sent your son to die for me

Oh oh Oh oh father

Oh oh father

My redeemer - the one who paid the
debt I owed

See how you dug me out of the pit
and made me whole

Now you called me your
righteousness

While I am away your arms are open
wide

Oh oh father

Oh oh father

Who dare loves like you do

Who dare save like you do

Tell me who else loves like you do

And who can save

You're the mighty deliverer - Better
than ten thousands of men

Oh oh father

Oh oh father

A mother may leave her sucking
child

But you are always always right here
by me

Your arms are always open wide -
always ready to welcome us home

There's no father-ther-ther like you

No lover no lover like you

Oh oh father

Oh oh father

There are no words enough to
describe the kind of father that you
are

Even wicked men give good gifts to
their kids how much more you oh

And you've called us your
righteousness oh

See how much you love us oh

Oh oh father

Oh oh

You're the one who gives every good
and perfect gift

You're the one who loves in a very
perfect way

Words are not enough to describe

How much you love me oh

It's a privilege to call you my father

It's an honor to be loved by you

Oh oh father

Oh oh father

You are you are the best

You are the best

It's a mistake to compare you with

anyone else

You are you are my best

You are the best - better than ten
thousands and millions of men

Oh oh father

Oh oh father
