

## Chidinma - Jehovah Overdo Lyrics

There is nothing You cannot do  
Protocol Breaker

There is nothing You cannot do  
Jehovah Overdo oh

I have tasted of Your Love

I have seen Your Mighty Works

Mountain Mover my Lover

Onyeoma Neme Nma ha

There is nothing You cannot do  
Protocol Breaker

There is nothing You cannot do  
Jehovah Overdo oh

I have tasted of Your Love

I have seen Your Mighty Works

Mountain Mover my Lover

Onyeoma Neme Nma

You found me worthy I heard You  
call my name

And then You showed me love

You filled my heart with joy

Oya take my heart I give it to You  
It belongs to You  
You have taken over me

So run come everybody  
Thank JESUS for me  
He has done that which no man can  
do ye eh  
So run come everybody  
Thank JESUS for me  
He has opened up the door eh eh eh

There is nothing You cannot do  
Protocol Breaker

Jehovah Overdo oh Jehovah Overdo

been Looking for

And then You changed my name o  
You wiped away my tears o

And You overwhelmed me  
This love is too much

What can I say  
Hallowed be Your Name

So run come everybody

Thank JESUS for me
