

Chidinma ft. Buchi Atuonwu - I'm In love Lyrics

[Verse 1]

You are the Air

That I Breath

You are the Song that I Sing

You are the Light

In my Life

You Steady Shining my Light

What can I do for You

For everything You do

I'm in Love

Jesus, I'm in Love

You always wanna

Blow my Mind

Make me Smile now

I always wanna make You

Happy with me

There's no Denying

You own my Life, you never Lie

You make me Happy

And I will never Leave

[Pre – Chorus]

Pleasing You

Is my new Addiction

Ever Since You took my Hand

I'm on the right Path

You are my Choice now

First and only

You cancelled hell for me

That's not my Destination

Giving me the Joy

Of Your Presence

And the Pleasure

Of me Living with You Forever

I will Love You, Love You

You're my Loving Daddy

Be with You Forever

[Chorus]

You are the Air

That I Breath

You are the Song that I Sing

You are the Light

In my Life

You Steady Shining my Light

What can I do for You

For everything You do
I'm in Love
Jesus, I'm in Love

[Verse 2]

With You, I never have to Cry
Behind the Smile now
I'll Stick with You
Your Covering is my Guarantee
The Lines have fallen
For me in Pleasant Places
Indeed, my Heritage
Is Beautiful for me

[Pre – Chorus]

Pleasing You
Is my new Addiction
Ever Since You took my Hand
I'm on the right Path
You are my Choice now
First and only
You cancelled hell for me
That's not my Destination
Giving me the Joy
Of Your Presence
And the Pleasure

Of me Living with You Forever
I will Love You, Love You
You're my Loving Daddy
Be with You Forever

[Chorus]

You are the Air
That I Breathe
You are the Song that I Sing
You are the Light
In my Life
You Steady Shining my Light
What can I do for You
For everything You do
I'm in Love
Jesus, I'm in Love

[Verse 3]

I'm in Love
With the Beautiful one
The most Beautiful in Town
I'm in Love
With the Champion Lover
Run go tell everyone
It's not the Beauty of Complexion
Or Shape of the Nose

But the Beauty of Purity
And of Faithfulness
And ever since I met You
I can't do without You
And ever since I met You
I can't get You outta my Mind

[Outro]

What can I do for You
For everything You do
I'm in Love
Jesus, I'm in Love
