

Moses Bliss - God Is Real Lyrics

God is real, and I feel His presence
all the time

He is anointing me, He is amazing,
and compassing

In Him alone I live, in Him alone I
move and have my being

His presence is original, His
presence is phenomenal
Practical, so crucial

Ever present God

You're so real, You're so real
I feel You all the time

Ever living God

You're so real, You're so real
I feel You all the time

God is real, I feel Him all the time

He's so real, I see Him everywhere

God is real, I feel Him all the time

He's so real, I see Him everywhere

God is real, I feel Him all the time
He's so real, I see Him everywhere
God is real, I feel Him all the time
He's so real, I see Him everywhere

Your presence is so tangible
Your presence undeniable
Your presence is so touchable
Your presence indescribable
Your presence is available
Unstoppable, so feelable
So possible, Your presence is so real

I know that You are real 'cause
You're living in my heart
I know that You are real 'cause Your
Word never fails
I Know that You are real 'cause
You're still changing lives
My God is real, Jesus is real

Ever present God
(You're so real) You're so real,
(You're so real) You're so real
I feel You all the time
Ever living God

You're so real, You're so real
I feel You all the time

Ever present God (ever present God)
(You're so real) You're so real,
(You're so real) You're so real
I feel You all the time
(Ever living God) ever living God
(You're so real) You're so real,
(You're so real) You're so real
I feel You all the time

God is real, I feel Him all the time
(He's so real) He's so real, I see Him
everywhere
(God is real) God is real (God is real),
I feel Him all the time
(God is real) He's so real, I see Him
everywhere

God is real, I feel Him all the time
(see Him through my eyes)
He's so real, I see Him everywhere
God is real, I feel Him all the time
He's so real, I see Him everywhere
(I'm the expression of His glory)

God is real, God is real, God is real,
God is real

So real, I feel Him all the time

God is real, He's burning in my eyes

The splendor of his love saturates
my heart

You are greater than greatness

Bigger than size, higher than heights

You're more real than reality

All the days of my life, I will let the
whole world know

That You're so real, You're so real
