

Moses bliss - miracle Lyrics

LYRICS

I can never fail, I can never lose That's the only life I know Full of the Spirit
when I step into the place That's the only way I go Yes, I know who I am I can
never fail, I can never lose That's the only life I know Full of the Spirit when I
step into the place That's the only way I go I got the life of God in me I can
never fail, I can never lose That's the only life I know Full of the Spirit when I
step into the place That's the only way I go That's the way I go

I'm a miracle, eh I'm a miracle, eh I'm a miracle, eh I can never ever fail I'm a
miracle, eh I'm a miracle, eh I'm a miracle, eh I'm not ordinary I'm a miracle, eh
I'm a miracle, eh I'm a miracle, eh It doesn't matter what I face I'm a miracle,
eh (everywhere I go) I'm a miracle, eh I'm a miracle, eh

They cannot explain, they cannot understand How I prosper in everything that
lay my hand Anywhere I go, I bring brightness and I glow The hand of God
is mighty in my life and it shows I've got the word of the Spirit in my mouth
When I speak it (God is talking) I've got the word of the Spirit in my mouth
When I speak it (God is talking) They you know They you know me I no fit fail
I get plenty grace, I'm unstoppable They you know me I no fit fail I get plenty
grace, I'm unstoppable I can never ever fail

I'm a miracle, eh I'm a miracle, eh I'm a miracle, eh You can call me miracle,
eh I'm a miracle, eh I'm a miracle, eh I'm a miracle, eh Eh, I'm a, I'm a wonder
I'm a miracle, eh I'm a miracle, eh I'm a miracle, eh I'm a miracle, miracle, eh
I'm a miracle, eh I'm a miracle, eh I'm a miracle, eh

See my life is moving from glory to glory Oh, brother, I no dey bobo you, eh
(bobo you, eh) Oh, sister, when you look at me, na goodness and mercy E dey
my side, e just dey follow me, eh (follow me eh) See my life is moving from glory
to glory Oh, brother, I no dey bobo you, eh Oh, sister, when you look at me, na
goodness and mercy E dey my side, e just dey follow me, eh Success is a sure
thing, failure is nothing I'm moving ahead, higher, higher everyday Standing on
the mountain All I see is victory, victory all the way I'm a miracle, eh So I can
never ever lose

I'm a miracle, eh I'm a miracle, eh I'm a miracle, eh So I can never ever fail
I'm a miracle, eh I'm a miracle, eh I'm a miracle, eh I'm not the man I used
to be I'm a miracle, eh (everywhere I enter) I'm a miracle, eh (everywhere dey
scatter) I'm a miracle, eh This is the glory of the Lord I'm a miracle, eh (upon
my life) I'm a miracle, eh I'm a miracle, eh

I'm empowered by the Spirit of the Lord What I cannot do, it does not exist,
oh-oh-oh I'm empowered by the Spirit of the Lord What I cannot do, it does not
exist o Everybody say I'm empowered by the Spirit of the Lord What I cannot
do, it does not exist, oh-oh-oh (it does not exist o) I'm empowered by the Spirit
of the Lord (hallelujah) What I cannot do, it does not exist o I can never fail,

I can never lose That's the only life I know, oh-oh-oh Full of the Spirit when I
step into the place That's the only way I go
