

<u>Preye Odede - Chase After You</u> Lyrics

For I press towards the mark For the price of the higher calling Of God in Christ Jesus And no matter how hard it gets I will chase after you, daily

I know I'm not a sprinter I'm not planning to be one But daily I will chase after you It's not to the swift And it's neither to the strong But daily I will chase after you Lord daily I will chase after you

Sometimes I grow so weary But I trust you oh Lord Daily I will chase after you I know it's not by power I know it is not by might Daily I will chase after you Daily I will chase after you

We will chase (after you, after you) I will chase (after you, after you) We're going deeper, deeper, deeper, (after you, after you) We're going deeper, deeper, deeper For the price of the higher calling, stronger, stronger, stronger After you, after you Stronger, stronger After you, after you After your glory After righteousness After your fire After your power **Revelation of God**

After your power

Daily I will chase after you Daily I will chase after you Daily I will chase after you Daily I will chase after you

I know I'm not a sprinter I'm not planning to be one But daily I will chase after you I know It's not by power I know it's not by might But daily I will chase after you Daily I will chase after you Oh daily I will chase after you Daily I will chase Oh daily I will chase Oh, daily I will chase After you, after you, after you,
