

Preye Odede - I Worship You Lyrics

You are the Lord
You never change
I worship you
I worship you
I worship you
You are the Lord

You are the Lord
You never change
I worship you
I worship you
I worship you
You are the Lord
You are the Lord
You never change
I worship you
I worship you
I worship you
You are the Lord

I worship you
I worship you

You never change

You are the Lord

I worship you

I worship you

I worship you

You are the Lord
