

Preye Odede ft. Timi Dakolo - This Kind Love Lyrics

Ehba wooh uh wooh uh oh
I never see this kind of love
Where you they show me like dis o
Anytime I fall you they pick me up
You no dey judge even when I fault
I never see this kind of love

Anytime I fall you dey pick me up
You no dey judge even when I fault
I never see this kind of love ehkpa

I never see this kind of love
Where you they show me like dis o
Every time I fall you they pick me up
You no dey judge even when I fall
I never see this kind of love

Every time I fall you dey pick me up
You no dey judge even when I fall
I never see this kind of love

If I start to count how many times I
don't fall your hand
I realize say I no dey worry o
For all the good things and all the
blessings wey you bring my way
I know say I no deserve them all

Cos every time I fall you they pick
me up

You no dey judge even when I fault
I never see this kind of love
But anytime I fall you dey pick me
up

You no dey judge even when I fault
I never see this kind of love
This kind of love you've shown
You no need man's approval
When you want to bless a man
You no need man's approval

Cos every time I fall you they pick
me up

You no dey judge even when I fault
I never see this kind of love
See everytime I fall you dey pick me
up

You no dey judge even when I fault
I never see this kind of love

I never see this kind of love ekpa
Where you they show me like dis o I
never see

Every time I fall you they pick me up
I never see

You no dey judge even when I fall
I never see this kind of love i never
see

Every time I fall you dey pick me up
everytime i fall

You no dey judge even when I fall
I never see this kind of love

Ha kpeke kpeke kpeke

Hey love wey no dey envy
Love wey no dey hate o I never see
this kind of love

Love wey no dey leave me
Love wey no go fail me I never see
this kind of love

Unconditional lo o ve you dey give o
I never see this kind of love hey

Love wey dey uplift me

Love wey no dey let me down I never
