

Yadah - Beyond Me Lyrics

You love me

You've shown the world that you do

You don't really care who's watching

They ridiculed you while you held
me so close

It's royalty loving a girl in rags

See the way you fell for me

You fell for me

See the way you fell for me

See the way you fell for me

You fell for me

See the way you fell for me

Oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh

Oh, oh, oh ...

You asked for my price

Told you it was your blood

You paid in full and made me your

bride

Took me on a shopping spree

Filled my bags with goodness and
mercy

Emptied all of heaven to pay for me

See the way you fell for me

You fell for me

See the way you fell for me

See the way you fell for me

You fell for me

See the way you fell for me

Oh, oh, oh (you fell for me)

Oh, oh, oh, oh

Oh, oh, oh (you fell for me)

Oh, oh, oh ...

Walked me down the aisle at
Calvary

On the altar of the cross, you took a
vow to love me forever

Nothing can separate me from this
love

No no no no no no

I'm confident that this love will never

end

I'm so confident that this love will
never end...

Say no no no no no

You fell so I could rise with you...

Oh, oh, oh (you fell for me)

Oh, oh, oh, oh

Oh, oh, oh (you fell for me)

Oh, oh, oh

Oh, oh, oh (you fell for me)

Oh, oh, oh, oh

Oh, oh, oh (you fell for me)

Oh, oh, oh ...

See the way you fell for me yeah,
yeah

See the way you fell for me, oh, oh

See the way you fell for me

You fell for me

See the way you fell for me
