

## Yadah - Free Of Charge Lyrics

The love and grace that you have  
shown

So great that I can never pay back  
You have given me free of charge

The love and grace that you have  
shown

So great that I can never pay back  
You have given me free of charge

I can never pay

I can never pay back

You have given me free of charge

I can never pay

I can never pay back

You have given me free of charge

How many Rams do I have to slatter

How many sacrifices do I have to  
offer

You've given your son once and for

all

And I don't have to pay no no  
It's free of charge

You put salvation plan over yourself  
You didn't need my help  
No you didn't need my input  
If you were a man you would have  
ask that I should pay  
But you've done it all for me free of  
charge

I can never pay  
I can never pay back  
You've given me free of charge

I can never pay  
I can never pay back  
You've given me free of charge

The Love and Grace that you've  
shown  
So great that I can never pay back  
You've given me free of charge

The Love and Grace that you've

shown

So great that I can never pay back  
You've given me free of charge

I can never pay  
I can never pay back  
You've given me free of charge

I can never pay  
I can never pay back  
You've given me free of charge

I can never pay  
I can never pay back  
You've given me free of charge

I can never pay  
I can never pay back  
You've given me free of charge

If you were a man you would have  
asked that I should pay  
But you've done it all free of charge  
I can never pay  
I can never pay back  
You've given me free of charge
