

## Yadah - Nailed Lyrics

I stand bold and unashamed  
No shame to trade 'cause You have  
nailed it all  
For the old account was settled long  
ago  
All my sin You nailed  
I'm not a sinner I'm justified  
You call me redeemed and Your love  
For the old account was settled long  
ago  
All my sin was nailed

Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
My sin was nailed

Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
My sin was nailed

You marched me through the streets  
victorious

Ripping sin and death of it's power  
As You hung right there my freedom  
was purchased

I'm free abundantly

I'm blood-washed, You paid once  
and for all

No debt to pay 'cause You have paid  
it all

For the old account was settled long  
ago

For all my sin You nailed

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

My sin was nailed

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

My sin was nailed

Oo-oh (oh, oh, oh, oh)

You nailed it all (oh, oh, oh, oh)

I owe no debt (oh, oh, oh, oh)

I stand free and justified (my sin  
was nailed)

I stand free and unashamed (oh, oh,  
oh, oh)

No-oh-oh (oh, oh, oh, oh)

You took all of my shame (oh, oh, oh,  
oh)

You took all of the pains, oh

All my sin and shame (nailed to the  
cross)

It was nailed (nailed to the cross)

You nailed it to Your cross (nailed to  
the cross)

Oh, every debt I owed (nailed to the  
cross)

You nailed it to Your cross (nailed to  
the cross)

You paid with Your blood (nailed to  
the cross)

And every wrong deed I have done it  
was nailed (nailed to the cross)

You took all of my shame (nailed to  
the cross)

You took all of my pain (nailed to the cross)

You took everything that I owed and  
You nailed it, oh (nailed to the cross)

So, I stand justified (nailed to the cross)

You nailed it all, nailed to the cross
