

Elevation Worship - More than able Lyrics

LYRICS

When did I start to forget All of the great things You did? When did I throw away faith for the impossible?

How did I start to believe You weren't sufficient for me? Why do I talk myself out of seeing miracles?

You are more than able You are more than able You are, You are You are more than able yeah We've seen it You are more than able Who am I to deny what the Lord can do?

It's easy for You, Lord

Now I see all that I have Oh I've got my confidence back I put my trust in the one who still does miracles You do miracles

You are more than able hey Aye You are more than able We know, we know it You are more than able We've seen it, we've seen it We've seen it, we've seen it You are more than able Who am I to deny what the Lord can do?

Can you imagine With all of the faith in the room What the Lord can do What the Lord can do And it's gonna happen Just let the Way Maker through He's gonna move He's gonna move Can you imagine With all of the faith in the room What the Lord can do What the Lord can do yeah And it's gonna happen Just let the Way Maker through He's gonna move Yes He's gonna move Can you imagine With all of the faith in the room What the Lord can do What the Lord can do hey And it's gonna happen Just let the Way Maker through He's gonna move He's gonna move He's gonna move

Anything is possible Sing it out Anything is possible I know Anything is possible C'mon Who am I to deny what the Lord can do? Say anything Anything is possible We've seen it Anything is possible So we believe it Anything is possible Hey Who am I to deny what the Lord can do? Anything Anything is possible Oh Anything is possible Anything Anything is possible Who am I Who am I to deny what the Lord can do? Who am I to deny what the Lord can do? Who am I to deny what the Lord can do?

He still can do it Still can do it He's not run out of time yet He still can do it

You are more than able You are more than able You are more than able Oh You are more than able Who am I to deny what the Lord can do?

I've come a long way I've seen how you work There's so much goodness and grace Much more than I deserve Cuz I know who I am And I can't stay where I'm at Oh We've come this far by faith Oh yes we have And I just can't turn back

Cuz He's not done with me yet He's not done with me yet Hey There's so much more to the story Hey You're not done with me yet You're not done with me

yet Hey You're not done with me yet No no There's so much more to the story
C'mon You're not done with me yet You're not done with me yet (After this
there will grace) You're not done with me yet (After this there will be glory)
There's so much more to the story (After this there will be more) You're not
done with me yet

Who am I to deny what the Lord can do? Who am I to deny what the Lord
can do? God is more than able Hey God is more than able God is more than
able Don't stop believing right now Don't quit believing right now God is more
than able Who am I to deny what the Lord can do? He still can do it Who
am I to deny what the Lord can do? Just cuz I haven't seen it in my lifetime
That doesn't mean he can't do it Who am to deny what the Lord can do? Just
cuz it's not on my resume Or just cuz I don't have it doesn't mean He can't do
it Oh who am I to deny what the Lord can do? He can still do miracles with
nothing All it takes is nothing All it takes is nothing He can do a miracle Who
am I to deny what the Lord can do? He can do it He can do it He can do it
He's able
