

Elevation Worship ft. Maverick City - Jireh Lyrics

LYRICS

I'll never be more loved Than I am right now
Wasn't holding You up So, there's nothing I can do
To let You down Doesn't take a trophy To make You proud
I'll never be more loved Than I am right now (oh)

Going through a storm (yeah) But I won't go down
I hear Your voice carried In the rhythm of the wind
To call me out You would cross an ocean So, I wouldn't drown
You've never been closer Than You are right now (Let's sing it out y'all)

Jireh, You are enough Jireh, You are enough
And I will be content (Even in it) In every circumstance
(You are) Jireh, (You are) You are enough

Forever enough Always enough More than enough
Forever enough Always enough More than Enough

I don't wanna forget How I feel right now
On the Mountain Top I can see so clear what it's all about
Stay by my side When the Sun goes down Don't wanna forget
How I feel right now (Jireh)

Jireh, (You are) You are enough (You are) Jireh, (You are)
You are enough (So I will be) I will be content
In every circumstance Jireh, (He is always enough)
You are enough

Forever enough Always enough More than Enough
Forever enough Always enough More than Enough

I'm already loved I'm already chosen I know who I am
I know what You've Spoken I'm already loved
More than I could imagine And that is enough (I'm already loved)

I'm already loved I'm already chosen I know who I am
I know what You've Spoken I'm already loved
(More than I could imagine) More than I could imagine
(That is enough) And that is enough (It's enough for me I'm already loved)

I'm already loved (I'm already chosen) I'm already chosen
(I know who I am) I know who I am (I know, I know what You've Spoken)
I know what You've Spoken (I'm already loved) I'm already loved
(More than I could even fathom) More than I could imagine
(And that is enough) And that is enough (Yes it is, Yes he knows, Yes he knows)

That is enough That is enough That is enough
That is enough And that is enough

You are enough You are enough You are enough
So, I am enough

Jireh, You are enough Jireh, You are enough
I will be content In every circumstance
Jireh, You are enough

If he dresses the lilies With beauty and splendor
How much more will he clothe you
How much more will he clothe you
If he watches over every sparrow How

much more does he Love you How much more does he Love you

If he dresses the lilies With beauty and splendor How much more will he clothe you How much more will he clothe you If he watches over every sparrow How much more does he Love you How much more does he Love you

If he dresses the lilies With beauty and splendor How much more will he clothe you How much more will he clothe you If he watches over every sparrow How much more does he Love you How much more does he Love you

How much more does he Love you How much more does he Love you How much more does he Love you How much more does he Love you How much more does he Love you

More than you ask Think or imagine According to His power Working in us It's more than enough

More than you ask Think or imagine According to His power Working in us It's more than enough

More than you ask Think or imagine According to His power Working in us It's more than enough

More than you ask Think or imagine According to His power Working in us It's more than enough

More than you ask Think or imagine According to His power Working in us It's more than enough

It's more than enough More than enough More than enough (more than you know) More than you know

Jireh, You are enough (Oh yes you are, yes you are) Jireh, You are enough I will be Content (even in this) In every circumstance Jireh, You are enough I will be content In every circumstance Jireh, You are enough
