

Tim Godfrey ft. Moses Bliss - Big God Remix Lyrics

LYRICS

It doesn't matter how big your storm is I want to let you know that our God is bigger Sing with me

I have a very big God A very big God o E no Dey fall my hand He's always by my side I have a very big God

When I call You Dey answer me Even if I fall You Dey carry me I like the way You Dey father me You die for me For Calvary

Truly you're my everything I'll follow you till infinity This is my story This is my song No impossible With my God I no need to worry You be my source

When I need update You be my plug I love you with everything My Lord Who no go worship you My God You're a very big God

I have a very big God A very big God o E no Dey fall my hand He's always by my side I have a very big God

Who no go serve this God o Who no go praise this God I have a very big God Who no go worship Jesus Who no go praise this God o I have a very big God You are greater than greatness Bigger than the biggest I have a very God
