

Ty Bello - That's My Name Lyrics

LYRICS

I am Loved, I am Loved, I am Loved by God. Jesus, I am Loved, I am Loved,
I am Loved by You.

I am Loved, I am Loved, I m Loved by God. Jesus, I am Loved, I am Loved, I
am Loved by You.

That s My Name, That s My Name, That s My Name Always My Name. That s
My Name, That s My Name, That s My Name That s My Name.

And so, the Mountains Must get out of my Way. By You they Crash and Fall
And become Like nothing before me. For I know They are nothing before You.

I tell the Mountains, To get out of my Way. They must Fall, they Fall And
Become Like nothing before me. For I know They are nothing before You.

O fe mi, O fe mi, O fe mi, O fe mi, O fe mi O (He Loves Me) O fe mi, O fe mi,
O fe mi, O fe mi, O fe mi O (He Loves Me)

Na only You Be fit to come down from The Heavenly of Heavens, To die for
me. Only you be fit to go down to Depths of hell, To Rescue me.

No Mountain High No Valley Low, Nothing fit Separate me From Your Love
You dey with me, I m not alone, You never Fail me, This I know

And so, the Mountains Must get out of my Way. By You they Crash and Fall
And become Like nothing before me. For I know They are nothing before You.

I tell the Mountains, To get out of my Way. They must Fall, they Fall And
Become Like nothing before me. For I know They are nothing before You.

I am Loved, I am Loved, I am Loved by God. Jesus, I am Loved, I am Loved,
I am Loved by You.

That s My Name, That s My Name, That s My Name Always My Name. That s
My Name, That s My Name, (O fe mi, O fe mi) That s My Name (O fe mi, O
fe mi, O fe mi O) That s My Name.

That s My Name, That s My Name, That s My Name Always My Name. That s
My Name, That s My Name, (O fe mi, O fe mi) That s My Name (O fe mi, O
fe mi, O fe mi O) That s My Name.

That s My Name, That s My Name, That s My Name Always My Name. That s
My Name, That s My Name, (O fe mi, O fe mi) That s My Name (O fe mi, O
fe mi, O fe mi O) That s My Name.

That s My Name, That s My Name, That s My Name Always My Name. That s
My Name, That s My Name, (O fe mi, O fe mi) That s My Name (O fe mi, O
fe mi, O fe mi O) That s My Name.

I am Loved, I am Loved, I am Loved by God. Jesus, I am Loved, I am Loved,
I am Loved by You.
