

Chidinma - Love Me First Lyrics

I wanna give my all to You
When I'm weak and falling
Only You can satisfy
Your mercy I no fit deny

Love me first
Love me first
You Love me first
Ti pe ti pe

Love me first
Love me first
You Love me first
Ti pe ti pe

You choose me to belong to You
You listen when I pray to You
I have You, I have everything
I never seen a love like this

Love me first
Love me first

You Love me first

Ti pe ti pe

Love me first

Love me first

You Love me first

Ti pe ti pe

I no go lie, You love me die

You show me daily

I wait for You

I long for You

You satisfy me

I sing to You

I shout Your Name

You never fail me

No one can ever be like You

You are my Daddy

You never fail me Ayayaya

You never fail me

This loving is forever forever now

forever forever

forever forever

This loving is forever forever now

forever forever

forever forever
