

Minisdter GUC - My Flag Lyrics

LYRICS

I m Still Standing After all I ve been Through And I ll Wave my Flag To Show that I m Alive I ve been through so much Many Hurdles Faced I m not going back this time Around I m not going back this time Around

I ll Wave my FLAG I ll Host it up for all to See That God is good He never Sleeps, He never Faints I m not going back this time Around I m not going back This time Around

I ll Wave my FLAG My Testimony is Written All Over it And I ll Show the Scars To the World That God has been Good All the Time, Anywhere OH OH OH OH OH OH OOH OH OH OH OH OH OH OOH

Yes, I m Still Standing After all they ve Thrown at me I m Still Dancing After all the Broken Songs The Light of my Life Saved Me The Love of my Life Has Blown a Kiss And I m Still Standing Blown a Kiss And I m Still Standing

I m Still Standing After all I ve been Through I m Still Standing After all the many Years All the Trials and the Battles That has Broken me before
