

## Moses Bliss - For Life Lyrics

From my heart to your ears  
I'll sing these melodies for you  
'Cause you've touched my heart in  
so many ways  
Like I've never felt before

I thank the Lord for bringing you my  
way

And I'm never letting go  
This loving is for life

This loving is for life

I thank the Lord for bringing you my  
way

And I'm never letting go

This loving is for life

I'm loving you for life

Ah yah yah yah yah yah yah

Ah yah yah yah yah yah yah

This loving is for life

I'm loving you for life

Ah yah yah yah yah yah yah

Ah yah yah yah yah yah yah

I'm loving you for life

If challenges come I'll stay with you

It's me and you till Jesus comes

No going back, no backing down

We will serve the Lord, make the

Kingdom proud

What more can I ask for?

You are all I prayed for

Woman of the word, you're my

dream come true

I love you, I love you, I love you, I love

you!

Ah yah yah yah yah yah yah

Ah yah yah yah yah yah yah

This loving is for life

I'm loving you for life

Ah yah yah yah yah yah yah

Ah yah yah yah yah yah yah

This loving is for life

I'm loving you for life

I thank the Lord for bringing you my  
way

And I'm never letting go

This loving is for life  
I'm loving you for life  
I thank the Lord for bringing you my  
way

And I'm never letting go

This loving is for life  
I'm loving you for life

Baby, ooh

I'm loving you for life
