

## Moses Bliss ft. Frank Edwards - Love Love Lyrics

Hey, My Love

I promise to be your best friend at all  
times

I promise to be the best father to our  
children

I promise to protect you as God  
protects us

cos you are my best friend

Go!!!

What a day, what a day  
what a dream come true

I've found the woman of my life  
what a gift from God

My wife, my lady

you're the best thing, you're the real  
one eh

what God has join together  
let no man go put asunder

No way

Halleluyah Hossana be my song o

Everytime I look into your eyes my  
wifey o eh  
oh no o  
Halleluyah Hossana be my song o  
Everytime I see you smile

Tears in my eyes  
cos you said yes to me  
when I look into your eyes  
what I feel, what I see is  
Love love love love  
Love love love love  
Love love love love

when I look into your eyes  
what I feel, what I see is  
Love love love love
