

Tye Tribbett - He Turned It Lyrics

Yes there were times in my life when
I thought I would never make it
I almost went down, I was out for
the count, I was through
But it was then when I thought it
would end, that I stood up again
With hell meant for evil, God turned
it around for my good

The devil thought he had me
Thought that my life was over
He thought that I would give up
He thought I had no more
But that's when someone greater
Stepped in my situation
My morning has now begun
He turned it

Sometimes I look back and I don't
know how in the world I made it
All of those nights I would cry my
heart so filled with pain

Worry consumed me, my whole life
revolved around fear and stress
Tired and weak I just could not
compete anymore

The devil thought he had me
Thought that my life was over
He thought that I would give up
He thought I had no more
But that's when someone greater
Stepped in my situation
My morning has now begun
He turned it
Everybody say, he turned it
He turned it

Come on, clap your hands and say
He turned it
Oh, He turned it
Say, He turned my mourning into
dancing

He turned my mourning into dancing
Let me see y'all clap your hands like
this, come on
He turned my sorrows into joy

He turned my mourning into dancing
Clap your hands y'all
He turned my sorrows into joy
Clap your hands

He turned it
He turned it
Somebody say, He turned it
He turned it
He turned it, he turned it
He turned it, he turned it

We gotta go, He turned my mourning
into dancing
He turned our mourning into
dancing
He turned my sorrows into joy
Say He turned it
He turned it

Say, He turned it
Hey, hey, woo
Everybody clap your hands, come on
Woo, woo

No more, no more crying days

No more hurt and pain
No more guilt and shame
He turned it
No more loneliness
No more fear and stress
No more sadness
He turned it

No more crying days
No more hurt and pain
No more guilt and shame
He turned it
No more loneliness
No more fear and stress
No more sadness
He turned it

He turned my mourning into dancing
He turned my sorrows into joy
He turned it
He turned it
He turned it

Why you ya'll not moving with us?
He turned it
He turned it

He turned it
He turned it
He turned it

No more crying days
No more hurt and pain
No more guilt and shame
He turned it
No more loneliness
No more fear and stress
No more sadness
He turned it

He turned my mourning into dancing
He turned my sorrows into joy
He turned it
He turned it
He turned it

Why you ya'll not moving with us?
He turned it
He turned it
He turned it
He turned it
He turned it

Let me see y'all clap your hands
Hey, so good
He's turned
My mourning
Into dancing
He turned
My sorrows
Into joy

My crying days
Are behind me
My dancing days
My dancing days
My dancing days
Are right now
Right now
Right now

'Cause He turned it
Woo, hey
He turned it
My weeping
Endured
For a night
Just one night
Just one night

But God
God
He turned it

Sure
'Cause here I am
My mourning
Is here right now
Yeah, yeah
He turned it

You owed Him
This place
Everybody owes Him
Everybody owes Him
Praise Him
Jump if you have to
Leap if you have to
Yeah, woo

I got a reason
To be glad
I got a reason
To shout
I got a reason
To lift my voice

Ask me why

'Cuz He turned it

Woo, yes sir

Where you at?

Out here

If you're glad

He turned it

If you're glad

He saved you

If you're glad

He's got you

Throw your head back and sing

The devil thought he had me

The devil thought he had me

Can I testify?

The devil thought he had me

Thought that my life was over

He thought by now I'd give up

He thought by now I'd give up

The devil thought he had me

He thought my life was over

He thought that I would give up

He thought I had no more

The devil thought he had me
Thought that my life was over
He thought that I would give up
He thought I had no more
But that's when someone greater
Stepped in my situation
My mourning has now given
He turned it
