

## Victor Thompson - Water Lyrics

If I reason am from now 'til  
tomorrow

Na only you wey wipe my sorrow  
I no fit to comprehend

This your love you get for me e no  
dey end

Feel so precious in your hands  
I see myself through your eyes  
You no dey reason me less

Water, water full my eyes o  
Na tears of joy me I dey so  
Water, water full my eyes o  
Na tears of joy me I dey so

I dey

I dey so

I dey

I dey so

Foundation of your love for me  
E too dey solid, guarantee

You know me finish, still love me  
complete

You make me know say I be VIP

I no fit to comprehend

This your love you get for me e no  
dey end

Feel so precious in your hands

I see myself through your eyes

You no dey reason me less

Water, water full my eyes o

Na tears of joy me I dey so

Water, water full my eyes o

Na tears of joy me I dey so

I dey

I dey so

I dey

I dey so

I dey
