

## Moses Bliss ft. Neeja - We Prevail Lyrics

You lead us  
You guide us  
In the way that we should go  
We are fearless and doubtless  
Cause we believe in your word

You lead us  
You guide us  
In the way that we should go  
We are fearless and doubtless  
Cause we believe in your word

We prevailing  
We prevailing  
In the name of Jesus Christ  
We are winning  
By the spirit  
We are more than conquerors

We prevailing  
We prevailing

In the name of Jesus Christ  
We are winning  
By the spirit  
We are more than conquerors

We are more than conquerors  
We are more than conquerors  
We are more than conquerors  
We are more than conquerors

You lead us  
You guide us  
In the way that we should go
