LYRICS

Worry worry no dey cure anything
Instead e go just dey dig plenty pit
Many many pit for you
Open your eyes, my brother
Can't you can't you see my sister
Raise your head up high
No defeat, no defeat, no defeat

Eyes never see
Ears never hear
Wetin dey come in front for you
Eyes never see
Ears never hear
Wetin dey come in front for you

Make you no fear tomorrow
Your page God no unfollow

Dust your shoulders waka
(Waka)
Everything don better
(Better)
This one no be matter
(Matter)
God he dey no quata

(Quata)
Dust your shoulders waka
(Waka)
Everything don better

Nothing dey break

Everything dey front dey look you for face
Na all your dream dream dream
Go a soon dey drip drip drip
Everything dey front dey look you for face

Eh eh
Eh eh
Eh
Eh

Dust your shoulders waka
(Waka)
Everything don better
(Better)
This one no be matter
(Matter)
God he dey no quata
(Quata)

Dust your shoulders waka
(Waka)

Everything don better
(Better)
This one no be matter
(Matter)
God he dey no quata
(Quata)
