

Maverick City Music - In The Room Lyrics

LYRICS

I'm not forsaken
Never alone
The God of Heaven
Calls me His own
He's not just seated upon the throne
I know he's right here inside my home
I've got a treasure
Here in my heart
And in my weakness
It won't depart
I have a Savior who will abide
He's not just with me, He lives inside
Just go ask Daniel if
Our God will bring you out
And he will testify
He shuts the Lion's mouth
Go ask those Hebrew boys
If He'll stick by your side
They will identify
The fourth man in the fire
They'll tell you
Oh
He's in the room
Oh
He's in the room
I've got a treasure
Here in my heart
And in my weakness
It won't depart
I have a Savior who will abide
He's not just with me, He lives inside
So, go ask Daniel if
Our God will bring you out
And he will testify
He shuts the Lion's mouth
Go ask those Hebrew boys
If He'll stick by your side
They will identify
The fourth man in the fire
They'll tell you
Oh
He's in the room
They'll tell you
Oh
He's in the room
Oh, yes, He is
Yes, He is
They'll tell you
Oh
He's in the room
Yes, He is

Oh
He's in the room
Oh
If I search the heavens high
He's there
If I search the earth below
He's there
If I make my bed in hell
He's there
No matter where I go
He's there
Where can I run from His Spirit?
He's there
Where can I go from His presence?
He's there
Even in the deepest depths
He's there
No matter where I go
He's there
If I search the heavens high
He's there
If I search the earth below
He's there
If I make my bed in hell
He's there
No matter where I go
He's there
Where can I run from His Spirit?
He's there
Where can I go from His presence?
He's there
No matter where I go
He's there
No matter where I go
He's there
If I search the heavens high
He's there
If I search the earth below
He's there
If I make my bed in hell
He's there
No matter where I go
He's there
Where can I go from His Spirit?
He's there
Where can I go from His presence?
He's there
Even in the deepest depths
He's there
No matter where I go
Oh
He's in the room
Oh, yes, He's there
Yes, He's there
The presence of the Lord is here

Oh
He's in the room
Oh
Oh
He's in the room
Come on, let's do it again
If I search the heavens high
He's there
If I search the earth below
He's there
If I make my bed in hell
He's there
No matter where I go
He's there
No matter where I go
He's there
No matter where I go
He's there
No matter where I go
He's there
No matter where I go
He's there
No matter where I go
He's there
Everywhere I look
He's there
Everywhere I go You're there
He's there
Everywhere I look You're there
He's there
If I make my bed in hell
He's there
If I go to the atmosphere
He's there
No matter where I go
He's there
No matter where I go
He's there
Oh
He's in the room
Oh, I'll tell you
Oh
He's in the room
He's in the room
He's in the room
He's in the room
He's in the room
He's in the room
He's in the room
He's in the room
He's in the room
He's in the room
He's in the room
Jesus is in the room
He's in the room

Know it for yourself
He's in the room
When everybody else walks away
He's gonna stay right there
He's in the room
He's in the room
I remember right around the year 20, 2012
I would go out
And I would minister
Chandler was just talkin' about it
I would minister to people
And I would watch them be healed
Set free, and delivered
And I would go home for days
In the dark
Under the covers with the curtains closed
I was plagued by depression and rejection
And the main thing the enemy
Would try to tell me
Is that I was alone
He would say, yeah
Yeah, you do all of that
And if you were to die today
They would find another Tasha
Let me tell you something
This is a testimony
I remember being in that dark room
I remember the curtains closed
It was so dark that my roommate
That was my cousin at the time
She came and she told me
Tasha, I can't take it
I gotta move out
She left and went to one of our family member's house
Dark place
I was in that dark room
Crying in my bed
And the Lord came to me
He said, "Tasha
Get up and wash your face"
'Cause I'm never alone no, no
I got up
And he said, "You've been calling me the wrong thing
You've been walking around saying you're depressed
This is rejection
Depression is a bridge off the root of rejection
So you've been cutting off branches
But tonight we are going to get to the root"
He said, "This is what I want you to say every single day
I want you to look yourself in the mirror
And you say
I curse the spirit of rejection
And I receive the spirit of adoption"
And every single day I walked out my deliverance
I had a revelation that i will never forget

That I'm never alone! No, no
I'm gonna stay right here
I said I'm never alone
I'ma stay right here
I said I'm never alone
I'm never alone
I'm never alone
I'm never alone
I'm never alone
I'm never alone
I'm never alone
I'm never alone
Jesus is with me
I'm never alone
I'm never alone
I'm never alone
I'm never alone
He'll never never leave me
He'll never never leave you
He'll never never leave me
He'll never never leave you
He'll never never leave me
He'll never never leave you
Oh
He's in the room
Sing it one more time, sing
Oh
He's in the room
Sing it one more time sing
Oh
He's in the room
