

## Sam Rivera - Lord and Savior Lyrics

### LYRICS

Let me tell you about my Lord and Savior  
The One that's greater, One that's greater  
Lord and Savior

Let me tell you about my Lord and Savior  
The One that's greater, One far greater  
Lord and Savior  
You don't gotta hold on insecurities

Don't you know He paid the price for you and me  
All you really gotta do is just believe  
His love is yours, forgiveness yours  
Can't you see He's known you from the start?  
Can't outrun what was said from the start  
He's got a plan for you  
He's paid the price for you  
He left th? 99 for you  
His love's that great (Love's that gr?at)  
He's got a plan for you  
He paid the price for you  
He left the 99 for you (Ooh, oh)

Let me tell you about my Lord and Savior  
The One that's greater, One that's greater  
Lord and Savior  
Let me tell you about my Lord and Savior  
The One that's greater, One far greater  
Lord and Savior (Oh yeah)  
So let me tell you about my G-O-D  
Let me tell you what my God done did  
Many things way my eyes don see  
Love way dey high, like say my eye dirtyyyy

My Daddy won't leave me  
Still shields me  
If you just believe you get eternal life  
That's free of charge  
He paid the price for you and I when He was on the cross  
Sunmobi my G (Come closer my God)  
No dey run from Him (Don't run away from God)  
Odo Oluwa yi (My God is)  
Ni lbi asadi (A place to run for safety)  
All of a sudden, peace overwhelming  
Might be enticing but sin is a poison  
Killing you softly  
Baby just hurry, put it upon Him

Let me tell you about my Lord and Savior  
The One that's greater, One that's greater  
Lord and Savior (Lord and Savior)  
Let me tell you about my Lord and Savior  
The One that's greater, One that's greater

Lord and Savior  
Sunmobi my G (Come closer my God)  
No dey run from Him (Don't run away from God)  
Odo Oluwa yi (My God is)  
Ni lbi asadi (A place to run for safety)  
All of a sudden, peace overwhelming  
Might be enticing but sin is a poison  
Killing you softly  
Baby just hurry, put it upon Him  
Let me tell you about my Savior
