LYRICS

Eh eh eh

Me, I fear no nothing
When I walk through the valley of death
Me, I stand on something
Na word, wey dey set the compass, e dey ginger my body
No long thing yeah

Prepare, prepare, prepare
Banga in the presence of my enemies
Prepare prepare prepare
Ofe owerri, before my enemies
Prepare, prepare, prepare
Banga in the presence of my enemies
Prepare prepare prepare
Ofe owerri, before my enemies
Oh yeah eh yeah
(Oh yeah eh yeah)

I'm stallion
And I ride on like like a champion
'Cause my father. He has won it all
And I no fit fall
(I no go ever fall)
I'm stallion
And I ride on like like a champion
'Cause my father. He has won it all
And I no fit fall

Surely your goodness just dey follow me dey go
All of the days of my life, everybody knows
Surely your goodness just dey follow me dey go
All of the days of my life, everybody knows

Oroo
(Oroo)
For my head
(For my head)
I no fit
(I no fit)
Comprehend
(Comprehend)
Oroo
(Oroo)
For my head
(For my head)
I no fit
(I no fit)
Comprehend
(Comprehend)

Prepare, prepare, prepare
Banga in the presence of my enemies
Prepare prepare prepare
Ofe owerri, before my enemies

Prepare, prepare, prepare
Banga in the presence of my enemies
Prepare prepare prepare
Ofe owerri, before my enemies

Prepare, prepare, prepare
Banga in the presence of my enemies
(Oh yeah eh, yeah)

I'm stallion
And I ride on like like a champion
'Cause my father. He has won it all
And I no fit fall
(I no go ever fall)
I'm stallion
And I ride on like like a champion
'Cause my father. He has won it all
And I no fit fall
