

Dunsin Oyekan - Sing Over Me Lyrics

LYRICS

I know
That worship is about the song
You want to hear
Not the one I want to sing
I'm here so You can sing over me
And I'll sing it back to You

I know
That worship is about the song
You want to hear
Not the one I want to sing
I'm here so You can sing over me
And I'll sing it back to You

Oh oh oh
Oh oh oh
I worship in Spirit and Truth
Oh oh oh
Oh oh oh
I worship in Spirit and Truth

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh Lord my God
How great You are
You are more than words can say
More than what my mind

Oh oh oh
Oh oh oh
I worship in Spirit and Truth
Oh oh oh
Oh oh oh

I worship in Spirit and Truth

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh Lord my God
How great You are
You are more than words can say
More than what my mind can grasp

Oh oh oh
Oh oh oh
I worship in Spirit and Truth
Oh oh oh
Oh oh oh
I worship in Spirit and Truth

Oh oh oh
Oh oh oh
I worship in Spirit and Truth
Oh oh oh
Oh oh oh
I worship in Spirit and Truth
