

Sinach - Bigger Than Lyrics

Lyrics

Through a thousand generations
You are true to Your Word
Through seasons and ages
You are faithful indeed

Through a thousand generations
You are true to Your Word
Through seasons and ages
You are faithful indeed

You are bigger than I could ever imagine
You are better than I could ever dream of
You are bigger than I could ever imagine
You are better than I could ever dream of
Jesus You are
Jesus You are
Jesus You are
Jesus You are

Breath taking wonders
That's what You do
Miracles and blessings You're pouring on us
God of wonders
That's who you are
You keep your promises
Great is Your name

Breath taking wonders
That's what You do
Miracles and blessings You're pouring on us
God of wonders
That's who you are
You keep your promises
Great is Your name

Breath taking wonders
That's what You do
Miracles and blessings You're pouring on us
God of wonders
That's who you are
You keep your promises
Great is Your name

You are bigger than I could ever imagine
You are better than I could ever dream of
You are bigger than I could ever imagine
You are better than I could ever dream of

Yes You are bigger than the biggest
Better than the best
You are undefeated

Jesus, You are

Bigger than the biggest
Better than the best
You are undefeated
You are Jesus

Bigger than the biggest
Better than the best
You are undefeated
You are Jesus

Bigger than the biggest
Better than the best
You are undefeated
You are

You are bigger than I could ever imagine
You are better than I could ever dream of
You are bigger than I could ever imagine
You are better than I could ever dream of

Jesus You are
