

## Chandler Moore - Lead Me On LYrics

### LYRICS

I'm living breathing proof that things can change  
The saving gift of grace it really stays  
With all the twists and turns, all my mistakes  
How I made it over, you were the only way

I'm not perfect  
I don't always get it right  
I rather walk by faith  
And not my foolish sight

Lead me on  
Lead me on  
Lead me on  
Lead me on

I may not have it all quite figured out  
I don't think it matters, I think you like it that way  
Jesus is the potter and I'm the clay  
He's making me more like Him every day

I'm not perfect  
I don't always get it right  
But I walk by faith  
And not my sight

Lead me on  
Lead me on  
Lead me on  
Lead me on  
It's not me I'm leaning on  
Lead me on  
Oh Jesus keep leading me

I'll put one foot in front of the other  
I won't ever look back  
What's in front of me is better  
I'll let go of my past

Who told me the future  
Is something to fear  
I won't give up, I won't give in  
I'll keep moving forward  
And you will

Lead me on  
Lead me on  
Lead me on  
Lead me  
It's not me I'm leaning on  
Lead me on  
Oh Jesus keep leading me

Cause I'm no good on my own  
And I don't know where else to go  
Take me back to where I belong  
And throw a party when I'm home  
JOY

I've got a river  
That's flowing inside  
It's full of life  
It's ever growing

I've got a fire  
It's always lit  
It won't go out  
It's always burning

You've given me joy  
It's unspeakable joy  
Undeniable  
Unexplainable  
I've got the joy of the Lord

Down in my heart  
Deep down in soul  
Uncontainable  
It's untamable  
I've got the joy of the Lord

I've got joy on the inside  
Feels like fire can't keep it in  
I keep praising in the midnight  
The Joy of the Lord is my strength
