

# Maverick City Music - Good News LYRICS

## LYRICS

There's a lot of talk goin' 'round town  
I hear a lot of people running their mouths  
Every word like an anchor just bringing them  
Down, down, down  
We've all been looking for a silver lining  
Something to hold on to when hopes been hiding  
I know a place where you can go  
If you wanna find it

This is the good news  
If you're breathing, it's for you  
An empty grave  
To a life that's changed  
It all points to Jesus' name  
If you've been searching  
And nothing's been working  
I've got good news  
Jesus loves you

Everybody jump  
Let's go

Open up your eyes and look around you  
This is a place where your freedom is found  
Take a minute  
Breathe it in  
Watch your life turn upside down

This is the good news  
Come on  
If you're breathing, it's for you  
An empty grave  
A life that's changed  
It all points to Jesus' name  
If you've been searching  
And nothing's been working  
Here it is  
I've got good news  
What's the good news  
Come on  
Tell 'em  
Jesus loves you

Everybody jump  
Everybody jump  
That's good news  
That's good news  
Amen  
It's good news  
Oh, yes, it is  
Oh, yes, it is

Here we go

No matter what you bring  
Oh, He's in love with you  
No matter your history  
Oh, He's in love with you

No matter your unbelief  
Oh, He's in love with you  
From now 'til eternity  
He's still in love with you

Come on

No matter what you bring  
Oh, He's in love with you  
No matter your history  
Come on  
Oh, He's in love with you

No matter your unbelief  
I gotta tell you  
Oh, He's in love with you  
From now 'til eternity  
You came to world from this love  
He's still in love with you

He's still in love  
He's still in love with you  
I promise you He loves you too much to leave you  
He's still in love with you  
He's still in love with you

I promise you  
I promise you  
He's still in love with you

This is the good news  
If you're breathing, it's for you  
An empty grave  
To a life that's changed  
It all points to Jesus' name  
If you've been searching  
And nothing's been working  
I've got good news  
Jesus loves you

Everybody jump  
Let's go

No matter what you bring  
Oh, He's in love with you  
No matter your history  
Oh, He's in love with you

It doesn't matter: your unbelief  
Oh, He's in love with you  
From now 'til eternity  
He's still in love with you

He's still in love  
He's still in love  
He's still in love with you

He's still in love  
He's still in love with you  
He's still in love with you

[?]

This is the good news  
Sing it  
If you're breathing, it's for you  
An empty grave  
A life that's changed  
It all points to Jesus' name  
If you've been searching  
And nothing's been working  
Come on tell 'em  
I've got good news  
What's the good news  
Come on  
Tell 'em  
Jesus loves you

No matter what you bring  
Oh, He's in love with you  
No matter your history  
Oh, He's in love with you

No matter your unbelief  
Oh, He's in love with you  
From now 'til eternity  
He's still in love with you

Yes, He is  
Yes, He is  
He's still in love with you

Oh, yes, He is  
Oh, yes, He is  
He's still in love with you

He's still in love with you  
He's still in love with you  
He's still in love with you  
He's still in love with you  
He's still in love with you

Jesus loves the little children

All the children of the world  
Jesus loves the little children  
All the children of the world  
That means you

Jesus loves the little children  
All the children  
That means me  
That means  
Jesus loves the little children  
All the children of the world

Tell 'em

Yes, Jesus loves me  
Oh, yes, Jesus loves me  
I know, yes, Jesus loves me  
For the Bible tells me so  
He's still in love with you
