

# Moses Bliss - Anytime Anyday Lyrics

## LYRICS

I have seen you  
Lift up a man  
I have seen you  
Turn things around  
I have seen you  
Save me from shame  
I have seen you  
Turn things around

Helper of my life  
Anytime anyday  
You answer when I call  
Lord Jesus

With you I'm not alone  
Anytime anyday  
You answer when I call  
Lord Jesus

Keeper of my heart  
Anytime anyday  
You answer when I call  
Lord Jesus

My peace in the storm  
Anytime anyday  
You answer when I call  
Lord Jesus

I have seen you  
Lift up a man  
I have seen you  
Turn things around  
I have seen you  
Save me from shame  
I have seen you  
Turn things around

Helper of my life  
Anytime anyday  
You answer when I call  
Lord Jesus

With you I'm not alone  
Anytime anyday  
You answer when I call  
Lord Jesus

Keeper of my heart  
Anytime anyday  
You answer when I call

Lord Jesus

My peace in the storm  
Anytime anyday  
You answer when I call  
Lord Jesus

Helper of my life  
Anytime anyday  
You answer when I call  
Lord Jesus

Keeper of my heart  
Anytime anyday  
You answer when I call  
Lord Jesus
