

Sinach - There's fire Lyrics

LYRICS

Oh oh oh oh
Oh oh oh oh

Yeah yeah yeah yeah
Yeah yeah yeah yeah

Father Lord, Father Lord, we are here to worship
Father Lord, Father Lord, we are here to worship
More than a song we bring our hearts to You
More than a song we bring our hearts to You
In spirit and in truth we raise our worship
In spirit and in truth we raise our worship
Our praise, our praise, is coming from our hearts

Oh oh oh oh
Oh oh oh oh

Father Lord, Father Lord, we are here to worship
Father Lord, Father Lord, we are here to worship
More than a song we bring our hearts to You
More than a song we bring our hearts to You
In spirit and in truth we raise our worship
In spirit and in truth we raise our worship
Our praise, our praise, is coming from our hearts

Oh oh oh oh
Oh oh oh oh

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives

Oh oh oh oh
Oh oh oh oh

Yeah yeah yeah yeah
Yeah yeah yeah yeah

Father Lord, Father Lord we are here to love You
Father Lord, Father Lord we are here to love You

More than a dance we live our lives for you
More than a dance we live our lives for you
Not holding back, we pour our love before You
Not holding back, we pour our love before You
Our praise our praise is coming from our heart

Oh oh oh oh
Oh oh oh oh

Father Lord, Father Lord we are here to love You
Father Lord, Father Lord we are here to love You
More than a dance we live our lives for you
More than a dance we live our lives for you
Not holding back, we pour our love
Not holding back, we pour our love before You
Our praise our praise is coming from our heart

Oh oh oh oh
Oh oh oh oh

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives

We are shouting the high praise of God in every nation
We are shouting the high praise of God in every nation
Faith filled warriors declaring His goodness
Faith filled warriors declaring His goodness

We are shouting the high praise of God in every nation
We are shouting the high praise of God in every nation
Faith filled warriors declaring His goodness
Faith filled warriors declaring His goodness

We are shouting the high praise of God in every nation
We are shouting the high praise of God in every nation
Faith filled warriors declaring His goodness
Faith filled warriors declaring His goodness

We are shouting the high praise of God in every nation
We are shouting the high praise of God in every nation
Faith filled warriors declaring His goodness
Faith filled warriors declaring His goodness

We are shouting the high praise of God in every nation
We are shouting the high praise of God in every nation
Faith filled warriors declaring His goodness
Faith filled warriors declaring His goodness

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives

There's a fire burning in every heart
As we lift our praises and testimonies
Of who You are
And what You've done in our lives
