

Chandler Moore - Omemma Lyrics

LYRICS

Omemma (Always)

Always on time (You can't do no wrong)

You can't do no wrong

Omemma (O, You leave)

Leave the ninety-nine, always for the one

Can we turn up, can we turn it up?

Can we turn up, can we turn it up? Hey

He really, really moves o

This is what it says

I know He loves me, I know He cares

Whenever I call, He always is right there

In times of trouble, He is my help

Yeah I know no fear

I know He'll be right there

Ayyyy

He really does what He says He will do

My God really moves o

Ayyyy

Why would I doubt when He always comes through

My God really moves o

He really, really moves o

Come on, sing the verse y'all

I know He loves me, I know He cares

Whenever I call, He always is right there

When I'm in trouble, He is my help

Yeah I know no fear

I know He'll be right there (Come on, we say)

Ayyyy

He really does what He says He will do

My God really moves on (Woah-oh-oh)

Ayyyy

Why would I doubt when He always comes through

My God really moves o

Oh, ayyyy

He really does what He says He will do

My God really moves on (Baba)

Ayyyy (Baba, baba)

Why would I doubt when He always comes through

My God really moves o

So glad You leave the ninety-nine

Always for the one

So glad You leave the ninety-nine

Always for the one

I remember when You came and saved me, I'm glad You

Leave the ninety-nine (Hey)

Always for the one

I remember when You came and grabbed me, so glad You

Leave the ninety-nine (Hey)

Always for the one

I remember the day You came and saved me from my sin, I'm glad You

Leave the ninety-nine (Hey)

Always for the one

Oh the overwhelming, never-ending love of God, You
Leave the ninety-nine (Hey)
Always for the one
Oh the overwhelming, never-ending love of God, You
Leave the ninety-nine (Hey)
Always for the one
Oh the overwhelming, never-ending love of God, You
Leave the ninety-nine (Hey)
Always for the one
Oh the overwhelming, never-ending, so glad You
Leave the ninety-nine
Always for the one
There's no wall that You won't get down, I'm so glad You will

Leave the ninety-nine
Always for the one
There's no lie that You won't take down, I'm so glad that You will
Leave the ninety-nine
Always for the one
Baba-Baba, Imela, Baba-Baba, so glad You
Leave the ninety-nine
Always for the one
L.A., can we turn up just 30 sec-, everybody turn up, turn up
So glad You, so glad You
Leave the ninety-nine
Always for the one
Whatever it takes, whatever it takes, so glad You
Leave the ninety-nine
Always for the one

Whatever it takes, whatever it takes, so glad You
Leave the ninety-nine
Always for the one
Oh Lord, whatever it takes, whatever it takes, so glad You
Leave the ninety-nine
Always for the one
I remember the day that You came and saved me, I'm glad You
Leave the ninety-nine (Oh Lord)
Always for the one
So glad You
Leave the ninety-nine
Always for the one
I remember that day that You came and grabbed me from my mess, I'm glad You
Leave the ninety-nine (Oh)
Always for the one

Imela, Imela, Baba-Baba
Leave the ninety-nine
Always for the one
Does anybody know what it feels like to be saved? So glad You
Leave the ninety-nine
Always for the one
What kind of God is this? What kind of God is this? So glad You
Leave the ninety-nine
Always for the one

What kind of God is this? What kind of God is this? So glad You
Leave the ninety-nine
Always for the one
Hey, Hey, Hey, I'm glad You will
Leave the ninety-nine
Always for the one
